NOTICE.—This celebrated Fire Proof safe is no longer made and sold by SILAS C. HERRING, his license to make and sell them having expired.

The thousands of Certificates from Merchants, Bankers and Mechanics of all trades, that have been given in favor of this the only true "SALAMANDER" renders it useless for the subscribers to multiply words in its favor, as full thirty thousand of "WILDER'S PATENT SALAMANDER SAFES," have been manufactured and sold in the United States; and, in almost every large fire that has taken place during the last seventeen years, these Safes have been subjected to the severest tests, and *not one of the 'Genuine Salamanders' has ever been destroyed.*

SALISBURY BRASS BAND

REORGANIZED 1st January, 1866, on a larger scale than formerly, under the direction of its former tutor, W. H. NEAVE, who was also chief music writer and Band Teacher in Gen. Lee's army. He will be assisted in leadship and direction by his brother, Ed. Neave, leader during the entire late war of Gen. Lee's best and most favorite band, viz: 4th N. C. The Band is composed of the best members of the old Band, together with the best members of several of the fine Bands trained by W. H. Neave, in camps, who have moved to Salisbury from all points in the State to follow their respective vocations and continue the study and practice of music. This Band will be a permanent institution for all State and festive occasions, and will equal the best to be found in the world, if sustained by those desiring a fine order of Brass and String music; if not, it must go down after this year.

W. H. Neave is also agent for the celebrated Dodworth Brass instruments, proved and warranted to him, and by him to others; also, the most pleasing, effective and popular Piano music, selected by his friends, H. B. Dodworth and Kent Botsford, New York. For beginners, medium players, and advanced musicians, no trash for either.

Music composed and arranged to order for Parlor, Orchestral and Brass Band use for any kind and number of instruments.

Salisbury has been selected for Musical Headquarters for its central position.

N. B. Mere letters of enquiry for musical information, but with no view to business with Mr. Neave or Band, must contain two postage stamps.

THE SENTINEL.

WM. E. PELL, SEATON GALES, } Editors.

Friday, May 25, 1866.

OUR TERMS

THE SENTINEL is issued every morning (Sunday excepted) at the following rates:

For Daily, per year,	$10 00
" six months,	5 00
" one month,	1 00
" two months,	2 00
Semi-Weekly, per year,	5 00
Weekly, per year,	3 00

Our terms are invariably in advance. Money may be sent us by the Rail Road conductors or the Express Companies.

To the Convention.

Members of the Convention who desire the *Sentinel* left on their desks after to day, will please notify us at the office.

The State Convention.

In our cogitations some weeks ago upon the powers and perogatives of the present State Convention, we came to the conclusion, that, originating in the military power of the President of the United States, and authorized and empowered for a specific work, and acquiesced in by the people to that extent and no further, so soon as the objects for which the Convention was called were accomplished, its powers and labors terminated; and further, that the President having by proclamation declared that the State of North Carolina had complied with the requisitions made upon her, that by consequence the Convention was at end.—These views of our own, we gave vent to in an article, without consulting the opinions of any one. We thought it a proper subject of inquiry in a legal point of view, and threw out our suggestions, simply with the view of eliciting investigation. We have seen no issue made or answer attempted to our argument, and hence have made no further allusion to it.

We are still of the same opinion, but the attempt of the *Standard* to make Gov. Worth responsible for our opinions, or to connect him in any way with a movement to dissolve the Convention, is not only wholly gratuitous, but simply malicious. The *Standard* says: "We understand Gov. Worth and his friends are actively engaged in an effort to induce the Convention to adjourn *sine die*, on the pretext that there is nothing for it to do!"

So far as Gov. Worth is concerned, we take it upon ourselves to deny the above allegation flatly. So far as we know, Gov. Worth has expressed no opinion upon the subject. It is a subject, which neither his duty, nor his inclination, nor his leisure have afforded him sufficient time to consider; and if he had been so disposed, he is not the man to assume responsibilities which do not belong to him. He has quite enough of his own, and, therefore, leaves the whole question to the decision of the Convention itself. As to any of the friends of Gov. Worth, who favor the dissolution of the Convention, being influenced by partizan designs or purposes, as we hear has been intimated, we utterly deny the imputation. So far as we are informed of the feelings and views of our friends, any movement with them, which looks to a disposition to dissolve the Convention, will proceed entirely from a conviction, on their part, that the work of the Convention has been completed and its powers exhausted; and, that being done, the people desire its dissolution.

The insinuation of the *Standard*, that the friends of Gov. Worth dread a *loyal convention* is wholly unfounded. They have no fears of the present Convention. If it were a disloyal, disorganizing, *strait-sect* or Holden-Brownlow Convention, they and the whole people of the State would have cause to dread it; but they rely upon the intelligence and the integrity of the body, to shield the State and people from the injuries which the *Standard* and its friends would inflict upon them. They come fresh from the people of the State. They know their loyalty, their devotion to the government, and the policy of the President, and their purpose to grapple with the difficulties around them, in order to maintain peace and quiet and to secure bread for their impoverished families. The Convention will not listen to the disorganizing and plaintive wailings of the *Standard* to come to its relief. The people, and not the *Standard*, we hope, will be the object of its sympathies.

The University.

We publish the rejoinder of "Alumnus," in reply to "An Old Di," hoping that it may terminate any further reference, in our columns, to any seeming controversy in regard to the University.

The institution is a public one. Whatever, therefore, is connected with its weal or woe is a fit subject for the consideration of its friends and the public. The positions, public conduct and qualifications of its officers, are equally within the reach of criticism. Hence, when no private interests are assailed, no one can complain.

We are assured by "Alumnus," that, in what he has felt it his duty and privilege to say, in regard to the University, he has been prompted by no private interest, and by no other feeling than that of personal kindness towards all concerned, and of a deep interest for the welfare of the University.

Health of Mr. Davis.

The report of Dr. Cooper, giving a diagnosis of the physical condition of Mr. Davis, as given in our telegraphic dispatches, will excite the deepest concern. It is evident that, whatever the government designs doing in the case of Mr. Davis, must be done quickly; otherwise, the indications are that he will be soon beyond the reach of a human tribunal. His case certainly demands sympathy and commiseration, even from those whose vindictiveness seeks his blood

In another column, we give the bill of indictment made out against Mr. Davis, as a matter of record.

Mr. Clark's Resolutions.

With great respect for each member of the Convention, we beg to urge their careful consideration of Mr Clark's resolution of yesterday to adjourn *sine die*, before acting upon it.

We are well aware that gentlemen from the West desire to change the basis of representation. On this important subject we make no remark, save this: That it seems a doubtful policy at present to engraft into our Constitution a principle, the same in every essential respect as that embraced in the celebrated report of the Reconstruction Committee in Congress, and that a question which is likely to divide and disturb our own people should be deferred to a more favorable period.

We think the Convention has accomplished its object. President Johnson has announced that nothing more is required of us. The great body of right minded men in the North say the same thing.

The people of the State need repose. A State whilst in Convention is necessarily in a revolution. For five years the people have been tossed to and fro by war and by revolutions, National and State. Let us stop. Let us set the example of looking not to Conventions or Legislatures, but to our labor, or our fields, or our own private resources, for the means of living and for happiness.

We know that the best men are slow to part with power when once lodged in their hands.—We fear that many good men in the Convention are of this class. We venture the assertion that nine-tenths of the people of North Carolina would rejoice to hear that the Convention had adjourned *sine die*.

Like the Convention of 1861, only in a more intensified degree, this Convention, if it persists in dragging itself along with further life, will incur the same concentrated odium of the people of the State.

On behalf of that people whose scanty means are being spent to no purpose or rather to worse than no purpose, and for the sake of our successful return to the Union, of peace, order, law and quiet, we earnestly appeal to the Convention at once to adjourn.

"The Issue is, Union or Disunion."

The *Standard* says this is the issue. Is Union or Disunion the issue in North Carolina? Who makes that issue? If there be any *disunionists* in North Carolina, if there be any persons opposed to Union, or the policy of President Johnson, they are those who co-operate with the *Standard*.

President Johnson says that the only disunionists in the country are the Radicals—those who throw obstacles in the way of union and restoration. Does the *Sentinel* do this? Are any of its friends opposed to the President's policy? Are any of them enemies of a Constitutional Union? Not one. None are so strong, so ardent and so sincere in their desire for Union and reconciliation, as those who sustain the *Sentinel*.

The only barrier in North Carolina to the harmony of our people is the continual carping and complaining of the *Standard*. Its anxiety to keep up *strait-sectism*, not for the sake of the Union, but for *its own sake*, is apparent to every one. The *Standard's* complaints are unavailing. Its partizan malignity, its extreme selfishness, and its utter failure to redeem its pledges to the people, have forfeited their confidence. They have trusted the *Standard* and it deceived them. *They can do so no longer.* No sound Union man now pretends to take his cue from the *Standard*. Real Union men every where eschew and condemn it.

Death Agony.

The issues of the *Standard*, for some time past, have illustrated very forcibly some facts which are recorded in Natural History. The rattle-snake, when mortally wounded, is said to go through a variety of writhings that would cause a decapitated chicken, could his attention in some way be called to the matter, to lie still in utter despair of being able to equal such wonderful contortions. The twistings of our amiable neighbor, over the way, of late, sufficiently demonstrate that, like his equally venomous type, *it* has been struck in a vital part, and feels the throes and pangs of an early political dissolution.

Our further and profound researches into Goldsmith's "Animated Nature" lead us to entertain additional apprehension that the citadel of life has really been stormed and carried in the case of our unfortunate cotemporary. It is remarked that the notes of the dying swan are ever the most plaintive, and the *Standard* has recently indulged in a series of mournful and touching appeals for popular sympathy and support that really make one sorry for its sufferings, though impotent to mitigate them.—The untimely fate of the Richmond *Republic*, too, has had a most depressing effect upon its spirits. Our neighbor should struggle against such influences. They will weaken a system already debilitated and but precipitate the catastrophe.

The worst feature, unhappily, of our neighbor's deplorable condition, is, that it is a direct case of *felo de se*, and under such circumstances people can't be made to feel very sorry.

"Thus the struck eagle, stretched on the plain,
Never to lofty heights to soar again,
Finds it the bitterest pang of all to feel,
That he nursed the pinion that impelled the steel!"

The Supreme Court.

The Supreme Court will commence its summer term, in this City, on Monday, the 11th of June next. Causes will be called by circuits, as heretofore arranged, but no special day given. Applicants for license, both classes, will be examined on Monday.

"The *Standard* is now the only out-and-out independent, loyal Union newspaper in the Atlantic Southern States, so far as we know."—*Standard*, 24*th*.

If this be so, the Lord help the "Union cause!"

Point Lookout Prisoners.

Governor Worth, having received numerous communications from different portions of the State, making inquiry in regard to the sick and wounded North Carolinians, supposed to be at Point Lookout, Maryland, has caused the Commanding officer at that place to be written to in regard thereto. The following answer may be of interest to the parties concerned:

"*Hd. Qrs., Detachment 12th. U. S. Infantry,*
Point Lookout, Md., May 17th., 1866.

WM. H. BAGLEY, *Private Secretary, N. C:*

SIR:—Your communication of the 9th. inst., is just received. In reply, I have the honor to inform you that the hospital was broken up at this Point nearly a year ago, and that there have been no sick or wounded since that time from any State. I am in receipt of letters from North Carolina every few days, in regard to the same subject. The last of the prisoners, sick and well, left here last Spring. There is a large number of North Carolinians buried here, and the Government is about to buy or lease the ground they are buried on. The names are getting very indistinct on the head-boards and they should be *re-painted*. I have a list of all Confederate dead at this Point.

Very respectfully, your obedient servant,
J. W. COOLEY,
2nd. Lt. 107th. U. S. C. T., A. A. Q. M.,
Point Lookout, Md.

We hope that some measures will be inaugurated by which the graves of our dead at Point Lookout may be properly designated and preserved. We should be obliged if Lt. Cooley would furnish us with a list of our North Carolina soldiers buried at that place.

We unintentionally omitted, on yesterday, to give the Ex-Provisional Governor the benefit of his denial that he had written to a United States Senator the letter upon which we animadverted a few days since. The Editor of the Alexandria *Journal* and Forney say they saw the letter. The Ex-Provisional Governor, aforesaid, says he didn't write one.

STATE CONVENTION.

ADJOURNED SESSION.

THURSDAY, May 24th. 1866.

The Convention was called to order at 12 o'clock, M.

Prayer by Rev. L. Branson, of the Episcopal Methodist Church.

The roll was called and the following delegates answered to their names, viz:

Messrs. President, Alexander, Allen, Baines, Barrow, Beam, Bell, Berry, Bingham, Bradley, Brickell, Bryan, Burgin, Buxton, Bynum, Caldwell, of Burke, Clark, Cowper, Dickey, Eaton Ellis, Faulkner, Furches, Gahagan, Garland Garrett, Godwin, Grissom, Harris, of Guilford, Harris, of Rutherford, Harrison, Haynes, Henry, Hodge, Jackson, Jarvis, Jones, of Davidson, Joyce, Joyner, King, Lash, Logan, Love of Chatham, Love, of Jackson, McCauley, McCorkle, McDonald, of Chatham, McDonald, of Moore, McGehee, McIvor, Nath'l McLean, McLaughlin, Mebane, Moore, of Chatham, Moore, of Wake, Murphy, Odom, Phillips, Polk, Rumley, Rush, Settle, Smith, of Anson, Smith, of Wilkes, Spencer, of Hyde, Spencer, of Montgomery, Starbuck, Stephenson, Stewart, Swan, Thompson, Williams, Wilson, Winburne, Winston, and Wright. 76.

The President thereupon announced the presence of a quorum and laid before the Convention a communication from His Excellency Governor Worth, relative to Executive action, during the recess of the Convention, in issuing writs of election to fill vacancies in the body occasioned by death or resignation.

The Governor also transmitted a communication from the Secretary of State relative to the distribution to be made of the Acts of Assembly (Sessions of 1864-64) ordered to be printed at the first session of the Convention.

The following delegates appearing were qualified, viz: Messrs. W. H. Harrison, of Wake, Jere Pearsall, of Duplin, B. D. Person, of Wayne, J. H. Foy, of Onslow, D. W. Bagley, of Martin, A. H. Jones, of Henderson, and Samuel F. Patterson, of Caldwell.

Mr. Clark, of Craven, introduced the following

RESOLUTION TO ADJOURN:

WHEREAS, This Convention was called and did assemble, at the instance, and under the authority, of the President of the United States, as Commander in Chief of the Army and Navy thereof, to the end that the State of North Carolina, by altering or amending its organic law, in conformity to the necessitating results of the late war, might, in fact, exercise and enjoy the constitutional rights and privileges of membership in the Federal Union;

And whereas, This Convention did, at its former session, fully and satisfactorily accomplish the purpose for which it was called and did assemble, at the instance and under the authority, as aforesaid:

And whereas, This Convention was moved to assemble, in present session, by the possibility that, in the course of events, further action in the premises might be required, or demanded, by the President of the United States, by reason of his official military position as aforesaid:

And whereas, No further action as aforesaid is so required or demanded:

And whereas, All ordinances and enactments, further affecting the organic law of the State, or attempting to regulate the internal government and police thereof, passed by a Convention called and assembled as aforesaid, for the purpose aforesaid, and which does not derive authority therefor from the people, through the mode prescribed in the Constitution by the people, would be subversive of the Constitution and revolutionary in effect, dangerous to liberty and incompatible with free institutions:

Be it therefore resolved, That this Convention adjourn *sine die*.

This resolution had its first reading, and the President stated that it would lie over one day under the rule.

Mr. Grissom moved the immediate rejection of the resolution.

The President ruled this motion out of order.

Mr. Wilson suggested that the resolution be printed.

Mr. Clark gave notice that he would move to take up the resolution at 12 o'clock, M., to-morrow.

On motion of Mr. Furches, a committee of three was appointed to wait on His Excellency, the Governor, and announce the readiness of the Convention to receive any communication he might wish to make. The President appointed Messrs. Furches, Logan and Wright as said committee.

The Committee withdrew and subsequently reported (through Mr. Furches,) that they had discharged the duty assigned them, and were informed that His Excellency would communicate with the Convention, by message, to-morrow.

On motion of Mr. McLaughlin, the Convention adjourned until 10 o'clock, A. M., to-morrow.

THE SERENADE TO THE PRESIDENT.

Secretaries McCulloch, Welles, Dennison and Stanton Define Their Position.

Speed and Harlan are Silent.

WASHINGTON, May 24, 1866.

The President and Cabinet were serenaded last evening by the Johnson Club of the City.

Secretaries McCulloch, Dennison and Welles cordially endorsed the policy of the President.

Secretary Stanton stated that he considered the section of the Reconstruction programme of the Radicals disqualifying Southerners as deplorable, and at war with justice and wisdom.

Speed and Harlan declined, in a tart and discourteous manner, to speak.

Forney denounces McCulloch's speech as brutal, and the endorsement of a tyrant by a supercilious official.

Telegraph Reports received too late for Yesterday's Issue.

Mr. Seward's Speech at Auburn.

WASHINGTON, May 23rd.

Mr. Secretary Seward addressed the people of Auburn, N. Y., on Tuesday evening last.—He said the solicitude which pervades the country would perhaps justify him in addressing the people upon political topics, candidly and patriotically, when good Union men were suspicious of the change of views of defeated rebels, and their support of the President's policy.—He, from the first, had rejected the idea that the change was for treasonable purposes.

Reconstruction was not needed, because the country, as constructed long since, has not been destroyed. What is needed is *reconciliation*, between Senators of the U. S. now acting and those who, being loyal, have been or may be elected hereafter from the Southern States.—With few exceptions, the Southern people could justly be accepted as fellow citizens. The Southern States have for the last four years been merely disorganized. They are now organized and nothing is needed but conciliation.

The President's plan of reconstruction is, that so far and so fast as unrepresented Southern States present themselves in a loyal attitude by representatives unquestionably loyal, they are entitled to representation. This plan is practicable. No plan proposed by Congress, so far, is immediately practicable. He was aware there was a difference between the President and Congress, but hoped that the difference would not cause the Union party to lose its great influence in guiding the country to perfect restoration.

Revolution in Hayti---Senator Wright, of New Jersey, dead.

NEW YORK, May 23.

Havana correspondence alleges formidable preparations for revolution, by expected aid of the South American Republics.

The Government monopoly on Tobacco in Cuba has been abolished.

Senator Wright, of New Jersey, is dead. It is reported that the Governor will appoint A. J. Cattell to fill the vacancy.

Condition of Mr. Davis---Official Report of Dr. Cooper.

WASHINGTON, May 23, 1866.

In compliance with the President's instructions, Dr. Cooper, U. S. A., reports as follows upon the condition of Mr. Davis' health: "He is considerably emaciated,—the fatty tissues having almost disappeared, leaving his skin shriveled. His muscles are soft, small and flaccid. He has but little muscular strength, is quite weak and debilitated, and, consequently, his gait is uneven and irregular. His digestive organs are, at present, comparatively good, but become quickly deranged. Under any but the most carefully prepared diet, dyspepsia symptoms promptly made their appearance, followed by vertigo, severe facial and cranial neuralgia, erysipelatous inflammation of posterior scalp and right side of the nose, which quickly affects the right eye,—the only sound one he now has,—and extends through the nasal duct into the interior nose. His nervous system is greatly deranged,—being much prostrated and excessively irritable. Slight noises, which are scarcely perceptible to robust health, cause him much pain,—the description of sensation being as of one flagged and having every sentient nerve exposed to the waves of sound. Want of sleep has been great, and almost the principal cause of his nervous excitability. This has been produced by the tramp, of the creaking boots of sentinels on post around his cell and the relief of guards at the expiration of every two hours, which almost invariably weakens him. Mr. Davis states that he has scarcely enjoyed two hours of unbroken sleep at any one time since his confinement. Means have been taken, by placing matting on the floors, for sentinels to walk on, to alleviate this source of disturbance, but with only partial success. His vital condition is low and he has but little recuperative force, and should he be attacked by any of the severe forms of disease, to which the tide-water regions of Virginia are subjected, Surgeon Cooper, with reason, fears for the result."

Congress.

WASHINGTON, May 23.

SENATE.—The debate is progressing on the Constitutional amendment of the Reconstruction Committee.

HOUSE.—A bill was introduced proposing to extend the duration of the Freedmen's Bureau for three years.

After prayer by Rev. A D. Cohen, the Convention adjourned.

SECOND DAY.

THURSDAY A. M., May 24th.

The Convention was called to order at nine o'clock, A. M., by the President.

After prayer by the Rev. Mr. Young, the proceedings of yesterday were read and approved.

Additional delegates from various Churches and Associations were enrolled, and an invitation to take a seat in the Convention was extended to the Rev. A. C. Dickenson, of the General Baptist Association of Virginia.

Remarks were submitted by Rev. Wm. Young on the relation of colored Baptist organizations to this Convention. He urged the necessity of the Convention taking the matter into consideration, and that the teaching of God's word should be sent among them by the Baptists of North Carolina. He concluded, by moving the appointment of a Committee, to whom the subject shall be referred.

Further remarks were made by the Revs. J. J. James, T. E. Skinner, R. R. Overby, N. W. Wilson, Wingate, Purefoy, R. B. Jones and J. D. Hutham. The latter urged a separation immediately,—at the same time giving the colored people such assistance as can be rendered under present circumstances.

The appointment of the committee was postponed until the afternoon session.

After prayer by the Rev. Mr. Kingsbury, the Convention adjourned until 3 o'clock, P. M.

NEW ADVERTISEMENTS.—Ho! for Photographs. See announcement of Watson, who does up everything in his line in the most superior style.

W. L. Saunders, Admr., offers a desirable city residence for rent.

LADIES' MEMORIAL ASSOCIATION.—We are gratified to learn that the President and other officers of this Association will take prompt steps to carry out its beautiful and patriotic object. Of this we have no doubt,—not only on account of the admirable and judicious selection of officers that has been made, but because the ladies *never* waver in a virtuous or praise-worthy design. Let them be seconded by the co-operation of all our citizens. The brave and noble dead demand our care and affection as much as the living.

We learn that the remarks of the Rev. Dr. Lacy, at the meeting on Wednesday afternoon, were most eloquent and touching. We regret that we did not have the pleasure of hearing them. That they were worthy of the head and heart of the speaker is praise enough to bestow upon them, in this or any other community where he is known.

THE REV. J. B. HARDWICK preached the introductory sermon of the Baptist Convention in the Church in this City, on Wednesday night, before a very large and appreciative audience. His text was from 2 Corinthians, 5th chap., 13th to 15th verses. The subject was forcibly illustrated.

MARRIAGES OF NEGROES.—Up to the present time, there have been about three hundred certificates of marriage granted, by the Clerk of the County Court of Wake, to colored people who have been heretofore cohabiting together as man and wife.

WAKE COUNTY COURT.—This tribunal continues in session, and is dispatching much business. On yesterday, four freedmen and one "Anglo-Saxon" were publicly whipped for larceny, horse-thieving, &c.

The following taxes have been laid, viz:—On the poll, for county purposes, 35 cents; for the poor 58 cents; for the Insane Asylum 5 cents; for the Deaf and Dumb 2 cents,—in all $1 on the poll. On each $100 in value of Real Estate, for county purposes, 10 cents; for the poor 6 cents; for the Insane Asylum 1 cent; for the Deaf and Dumb Asylum 1 cent;—in all 18 cents.

ONSLOW.—At an election held in Onslow on Thursday, the 17th inst., to fill the vacancy in the Convention, occasioned by the death of J. N. Sanders, Mr. J. H. Foy was elected.

SUMMER RETREATS.—The Richmond *Enquirer* thus speaks of the contemplated opening of the Warren White Sulphur and Chalybeate Springs, under the management of Major Hope, of this City:

"This pleasant resort has been thoroughly refitted and renovated, and will be opened to visitors on the 1st of June. Nothing that can tend to promote the pleasure of the guests has been neglected by the proprietors, and billiard tables, restaurants, and livery stables will contribute to the amusement of visitors. A fine band will be in attendance, and votaries of Terpischore will enjoy an opportunity of indulging in their favorite diversion; and to invalids we would recommend a careful perusal of the analysis of the waters of the different springs which have long enjoyed a high celebrity in the cure of dyspepsia, liver complaint, jaundice, cutaneous and other diseases."

JUDGE D. F. CALDWELL.—We regret to learn that this venerable and distinguished gentleman is now lying very ill at Montgomery, Alabama. The Judge has been quite feeble for some time, and serious apprehension is felt of his recovery.

DISCONTINUED.—The publication of the *Guardian*, at Charlotte, has been discontinued. Mr. Britton, the proprietor, will publish a paper in Columbia, S. C., to be styled the *American Patriot*.

WE LEARN from the *Old North State* that the Ladies' entertainment in Salisbury was a perfect success. Gov. Vance's address upon the occasion is spoken of as being unusually happy.

A Card.

A destructive fire, originating in the block of buildings in which was situated the office of the Goldsboro' Daily *News*, occurred yesterday morning. Our office, presses, type, other material and books were utterly destroyed. Nothing in the office was saved, and none of our loss (which exceeds three thousand dollars, three-fourths of which falls upon our Mr. Whitaker individually,) was covered by insurance. This calamity would press heavily upon us at any time, but more especially *now* when there is such a scarcity of money, and when all are so hard pressed to meet their own obligations, and to secure the cultivation of growing crops.

But we feel that this is no time for either despondency, or idleness, and we are determined at the very earliest moment possible to resume the publication of the *News*. We know that our subscribers and advertisers will bear with us patiently till our arrangements are completed.

We respectfully ask our exchanges to publish this "Card," so that all may know why the publication of the Goldsboro' Daily *News* is temporarily interrupted; and to inform those interested that we hope to be able to re-issue the paper as early as the 1st of June.

Wayne County Court---The Crops, &c.,

The regular May Term of Wayne County Court is being held in Goldsboro' this week and several State cases have been tried. On Tuesday, two white and three colored thieves were severally tried and convicted of the crime of larceny by the most positive and conclusive testimony, whereupon the prescribed penalty of the law was imposed upon each individual, without regard to race or color, and sheriff Kennedy executed the judgment of the Court, in such a manner as will cause the guilty culprits to remember, whenever they are again brought up under similar circumstances, that the *first* time they were convicted in Wayne they were *whipped* by the sheriff.

It is understood that the two white robbers were with Sherman's bummers for a considerable time, which may somewhat account for their thievery, and that as soon as their special obligations will allow their departure from Goldsboro, their personal presence is demanded in Wilmington to fulfil similar engagements.

The five larceny cases disposed of on Tuesday did not include all the stealing cases to be tried. The Attorney for the State, John V. Sherard, has "a few more left of the same sort."

The farming operations and prospects are not as favorable as might be desired. There is not a full stand of corn or cotton, and there is so much cotton missing that a full crop can hardly be expected, as it seems to be almost impossible to get a regular stand in the usual time.—Some farmers have replanted their cotton, and others have ploughed it up and planted corn in place of cotton.

The farmers complain of the idleness and laziness of the negroes, in many of whom there is but very little confidence or reliance to be placed. That most abominable institution, the "so-called" Freedmen's Bureau, with which there is much dissatisfaction, has done a great deal more harm than good. It has had a tendency to encourage mean negroes in laziness and insolence, because mean, trifling negroes take pride in going to the Freedmen's Bureau and reporting white people for the most trivial matter, to be tried by some ignorant and prejudiced Lieutenant, or probably a low abolitionist and negro worshipper, who shows more respect for the evidence of a mean, lying, roguish and rascally negro, than for the evidence of a truthful and respectable white man. Such is abolitionism. V.

MESSRS. EDITORS:—The object of *Alumnus* was, as his communication imported, simply to call the attention of the Trustees of the University to the case of Professor Pool, and if he did not have a like motive in this publication, the character of the communication in the *Sentinel* of the 23rd. would induce him to remain silent rather than to have any controversy with its writer.

Alumnus did not criticise the acts of either the Trustees or Faculty,—unless Mr. Pool be the embodiment of the Faculty,—and the intelligence of "an old Di" was sadly at fault in asserting the contrary.

With due deference to Mr. Pool's knowledge of "what is lawful, expedient and honorable, in fulfilling the duties of his professorship," and of "what is inconsistent with those duties," and to his "unwillingness to do what is wrong" I submit that the Board of Trustees is the proper tribunal to decide "whether the incumbent of the office of U. S. Assessor can properly discharge the duties of a professor at the University."

Mr. Pool evidently thinks he can properly fill both places; it now remains to be seen whether the Trustees agree with him.

There was evidence that Professor Pool was absent from his post on Friday, a day on which recitations are regularly had at the University, and that he was at Raleigh "organizing his district."

It is not to be presumed that Mr. Pool, a young man and a young professor, is assigned to light duty, or that he has more privileges or more leisure than the other gentlemen of the Faculty, his seniors by many years. If then Mr. Pool can, without detriment to the University, spare the time to go to Raleigh and "organize his district," while the college exercises are going on, does it not show that the number of Professors is greater than the necessities of the Institution warrant?

In such times as these, ought a supernumerary to be retained—especially a young man whose salary as Assessor places him above want?

"An old Di" says: "At the University of our State, the profession is, and I hope that the practice always will be, to ignore sects in religion and parties in politics."

Has such been either the practice or the profession? I quote in this connection, and without comment, an extract from a letter dated 5th. of May, 1866, written by President Swain to B. F. Moore, in reference to "the indiscreet proceedings of the Ball Managers" in designating Mr Davis, Gen. Lee and Gov. Vance as Honorary Managers at the approaching Commencement Ball:

"I have no mode of preventing occasional outrages of this nature than that suggested some years since, when Arch-Bishop Hughes was invited to deliver the Valedictory sermon to the Senior Class."

It is well known that Bishop Hughes was a Roman Catholic. So much for the profession and practice of religious toleration.

Alumnus is a true friend to the University and would not willingly or knowingly say one word to its prejudice; he sincerely desires to promote its interests, and, therefore, earnestly appeals to the Trustees to examine its condition carefully—especially to consider well the case of Professor Pool.

ALUMNUS.

The Indictment.

The following is the presentment of the Norfolk Grand Jury against Ex-President Davis for treason and rebellion against the Government of the United States:

The United States of America, District of Virginia, to-wit:

In the Circuit Court of the United States of America, in and for the District of Virginia, at Norfolk—May Term, 1866.

The grand jurors of the United States of America, in and for the District of Virginia, upon their oaths and affirmations, respectively do present that, Jefferson Davis, late of the city of Richmond, in the county of Henrico, in the district of Virginia, aforesaid, yeoman, being an inhabitant of and residing within the United States of America, and owing allegiance and fidelity to the said United States of America, not having the fear of God before his eyes, nor weighing the duty of his said allegiance, but being moved and seduced by the instigation of the devil, and wickedly devising and intending the peace and tranquility of the said United States of America to disturb and the Government of the said United States of America to subvert, and to stir, move and incite insurrection, rebellion and war against the said United States of America, on the 15th day of June, in the year of our Lord, 1864, in the city of Richmond, in the county of Henrico, in the district of Virginia aforesaid, and within the jurisdiction of the Circuit Court of the United States for the fourth circuit in and for the district of Virginia aforesaid, with force and arms, unlawfully, falsely, maliciously and traitorously, did compass, imagine and intend to raise, levy and carry on war, insurrection and rebellion, against the said United States of America, and in order to fulfill and bring to effect the said traitorous compassings, imaginations and intentions of him, the said Jefferson Davis, he, the said Jefferson Davis, afterward, to wit: on the said 15th. day of June, in the year of our Lord 1864 in the said city of Richmond, in the county of Henrico and district of Virginia aforesaid, and within the jurisdiction of the Circuit Court of the United States for the 4th. circuit, in and for the said district of Virginia, with a great multitude of persons, whose names to the jurors aforesaid are at present unknown, to the number of 500 persons and upward, armed and arrayed in a warlike manner, that is to say, with cannon, muskets, pistols, swords, dirks and other warlike weapons, as well offensive as defensive, being then and there unlawfully, maliciously and traitorously assembled and gathered together, did falsely and traitorously assemble and join themselves together against the said United States of America, and then and there, with force and arms, did falsely and traitorously, and in a warlike and hostile manner, array and dispose themselves against the said United States of America, and then and there, that is to say on the said 15th day of June, in the year of our Lord 1864, in the said city of Richmond, in the county of Henrico and district of Virginia aforesaid, and within the jurisdiction of the said Circuit Court of the United States for the 4th circuit in and for the said District of Virginia, in pursuance of such, their traitorous intentions and purposes aforesaid, he, the said Jefferson Davis, with the said persons so as aforesaid, traitorously assembled and armed and arrayed in the manner aforesaid, most wickedly, maliciously, and traitorously did ordain, levy, and carry on war against the said United States of America, contrary to the duty of the allegiance and fidelity of the said Jefferson Davis, against the Constitution, Government, peace and dignity of the said United States of America, and against the form of the statute of the said United States of America in such case made and provided.

This indictment is found on testimony of James F Milligan, George P Scarbury, John Good, Jr, J. Hardy Hendren and Patrick O'Brien, sworn in open court, and sent for by the grand jury. I. H. CHANDLER,

U. S. Attorney for the District of Virginia.

General Magruder, and Colonel Maury, who is acting as the Chief of the Foreign Emigration Bureau during his father's absence in Europe, were to be relieved of their portfolios on the first of the present month, by order of the Emperor Maximilian, who has directed that the offices be discontinued for the lack of sufficient revenue.

ARRIVAL OF MR. MASON.—Among the passengers by the steamship Moravian, which arrived in port yesterday morning, was the Hon. Mr. Mason, of Virginia, whose name obtained such a world-wide celebrity in the autumn of 1861, in connection with that of the Hon. Mr. Slidell, on the occasion of the arrest of these two gentlemen by the American Commodore Wilkes, on board the British mail steamer Trent.—*Quebec Gazette, May 16th.*

Among the recent appropriations by Congress is an item of three hundred thousand dollars for the expenses of Mr. Lincoln's funeral; and one of one hundred thousand dollars for the purchase of Ford's Theatre.

Dr. Newland, who killed Prof. Evans, his daughter's seducer, has returned to his home, at Bedford, Ind., since his acquittal, where he received the congratulations of the citizens. On the day of his return his unfortunate daughter became a mother.

The Tennessee Senate has rejected the resolutions favoring the formation of East Tennessee into a separate State.

The Louisiana military authorities are giving relief to the people in the overflowed districts.

Washington News.

The correspondent of the New York *Times*, of Monday, sends the following dispatch to that journal, under date of Washington, Sunday, the 20th:

Attorney-General Speed, who returned from the West last week, had a lengthy interview with the President on Friday last relative to the trial of Jeff. Davis and the indictment found by the Grand Jury at Norfolk. Mr. Speed gave his opinion as to the legal character of the indictment, which opinion I am not authorized to state. The President imparted to the Attorney General the subject of the views of Chief Justice Chase about the propriety of holding a Court in Richmond. The position of Judge Chase I have given you in a former dispatch. His fears were that there was doubt among the military officers in Virginia as to the effect of the Peace Proclamation, and whether or not martial law is abrogated. While these doubts exist Judge Chase is not willing to preside in a United States Court in Virginia. If the Chief Justice shall hesitate, or entertain such fears when the next term of the United States Circuit Court is about to convene, the President will issue an order expressly declaring that the civil law is supreme in all matters in which the Civil Courts have jurisdiction. It is reported that the Attorney General has no confidence in the indictment found against Davis under the supervision of Judge Underwood, but it is proper to state that the report does not come from the best authority.

There is scarcely a doubt that the Senate will adopt the Reconstruction Committee's proposed amendment to the Constitution, already passed in the House, striking out, however, the third section, disfranchising certain classes until 1870. Such is the very general opinion expressed by Senators of the Radical persuasion.

Another Order from Gen. Howard.

Gen. Howard has just issued the following order. It would appear that he backs down considerably from his former defiant position:

WAR DEPARTMENT, *Bureau of Refugees, Freedmen and Abandoned Lands*, Washington, May 21, 1866.—Circular No. 4.—In order to answer numerous inquiries from officers, agents and others, and if possible prevent misunderstanding with regard to the change of organization in this Bureau, this circular is issued.

I. The Commissioner recommended, some time since, that the functions of a Military Commander of a State and Assistant Commissioner be exercised by the same officer. Wherever practicable, this is being effected—as in Virginia and Mississippi. It is not done in condemnation of the Assistant Commissioners who have labored hard and successfully, but to secure more prompt and effective administration than can otherwise be done.

II. The Commissioner calls the attention of all officers officially to the reports in circulation as to acts of severity and cruelty toward the freedmen on their own part, as to carelessness in rendering their monthly accounts, and other offences. Every officer, or agent, already accused, shall have the opportunity of a thorough vindication before a court martial. But the occasions for such trials are to be deprecated and they must be forestalled by a thorough system of inspection, and a prompt removal of every unfaithful officer.

III. Special attention is again called to the difficult duty of caring for the indigent. Where intense anxiety prevails to get rid of the Bureau, surely State and county officers will make some arrangement to relieve the General Government of this heavy expense. If the county officers, or overseers of the poor, will adopt the proper measures, the industrial and Government farms which are now so much complained of, can be dispensed with.

In order to meet the emergency, when the whole system of labor was deranged, the Commissioner urged the forming of joint companies, the encouragement of the immigration of those accustomed to free labor, so as to afford, promptly, as many examples as possible, of the successful employment of negroes under a free system. Apparently in keeping with these regulations a few officers have invested their own means, jointly with citizens, in the planting interest.—I know of no law, or regulation of the army, or of this Bureau, against this, yet it will almost inevitably lead to corruption, as it has already to bitter accusations. Hereafter such investments, within their own jurisdiction, by officers on duty in this Bureau, are strictly prohibited.

O. O. HOWARD,
Major General Commissioner.

FINANCIAL STORM BREWING.—The New York *Sun* says the signs of the coming financial storm are steadily growing ominous. The comparative dullness of business, the downward tendency of prices, the increasing number of failures, and the uneasiness manifested in nearly every department of trade, are sure harbingers of a general financial crash. Every shrewd observer has been convinced, for a long time, that a monetary crisis is inevitable, and that its coming is only a question of time. The financial atmosphere has been closely watched. The gathering of the clouds has been seen, and now, in the failures that are beginning to appear, we have the fitful gusts that betoken the near approach of the hurricane.

THE CONFEDERATE FLAG IN MEXICO.—An effort was made on the eve of the funeral, in Mexico city, of the late Henry W. Allen, ex-Confederate Governor of Louisiana, to have the coffin born to the grave covered with a Confederate flag; but owing to the firmness of the United States Consul at the Capital, this demonstration was abandoned by the friends of the deceased.—*New York Herald.*

It is reported that serious apprehensions are entertained at Murfreesboro, Tenn., of the recetition at that place of the late scenes at Memphis. The Mayor has been notified to adopt such measures as will prevent a collision between the whites and negroes.

THE RADICALS FRIGHTENED—"Philip," the Washington correspondent of the Boston *Traveller* (Republican) says: The prospect is dark. If Congress adjourns without doing anything it is plain that the President will carry the next House. Yet some of the insane extremists in Congress urge a do-nothing policy. It is precisely what the President wants, and he has shown his sagacity in it. He has a policy; so far Congress has not. If he can keep Congress in this attitude before the country, he is safe.

We regret exceedingly to learn that the venerable and respected Mr. Seaton, who conducted the *National Intelligencer* so long and so well, is rapidly and hopelessly sinking under the ravages of cancer.

BOARDING HOUSE.

MRS. DANIEL DU PRE, having rented the residence formerly occupied by Ex-Gov. Iredell, is prepared to take a number of boarders, either transient or by the week or month.

She can accommodate, pleasantly, ten or fifteen members of the approaching Convention.

Gentlemen doing business in the City will find it a convenient and comfortable house.

Terms as low as at any house in the City.

A NEW AND GRAND EPOCH IN MEDICINE!

DR. MAGGIEL is the founder of a new Medical System! The quantitarians, whose vast internal doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two of his extraordinary Pills, and cures the most virulent sores with a box or so of his wonderful and all-healing Salve. These two great specifics of the Doctor are fast superseding all the stereotyped nostrums of the day. Extraordinary cures by Maggiel's Pills and Salve have opened the eyes of the public to the inefficiency of the (so called) remedies of others, and upon which people have so long blindly depended. Maggiel's Pills are not of the class that are swallowed by the dozen, and of which every box fail taken creates an absolute necessity for another. One or two of Maggiel's Pills suffices to place the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant! There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. Ulcerous and eruptive diseases are literally extinguished by the disinfectant power of Maggiel's Salve. In fact, it is here announced that **Maggiel's Bilious, Dyspeptic and Diarrhea Pills** cure where all others fail. While for Burns, Scalds, Chilblains, Cuts and all abrasions of the skin **Maggiel's Salve** is infallible. Sold by J. MAGGIEL, 41 Fulton Street, New York, and all Druggists, at 25 cts. per box. Sold by all Druggists in Raleigh.

An Extraordinary Statement in Regard to Rheumatism and Pleurisy.

Peter Vaden, Esq, Dinwiddie county, Va., (Nov. 6, 1865) says: "In August 1857, my wife, aged 66 years, was taken ill with what the doctor called a Bilious Rheumatism affecting her whole system, rendering her entirely helpless, so much so, that she had to be lifted and fed as an infant, for the pace of three months, suffering the most excruciating pain, her hands drawn out of shape and stiff, so that she could not use them. After all other remedies failed, in January, 1858, I was advised to get the SOUTHERN HEPATIC PILLS for her. She used the Pills strictly according to the directions accompanying them, and we soon discovered a change for the better, and in one month's using she was well, and continued so up to the present time; has become fleshy, cheerful, and as active as one could be of her age. One of my servants was taken with a violent attack of Bilious Pleurisy. I gave him those Pills, and in about ten days he was up and at his work; said that he felt as well as he ever did, and has continued well ever since.—Another was taken with Pleurisy. I gave the Pills, and she was well and at her work in ten days after she commenced using them. My Doctor's bill has been heretofore from $175 to 200 per year. I have used them in my family, which consists of eighteen white and colored, and have not called in a doctor during the year. This is a great saving. They certainly are the best family medicine ever discovered. After a fair trial I can recommend them as such."

As owing to the demand we shall be unable to keep a stock in the hands of our local agents, as it was our practice before the war. All business transactions being now reduced to *cash*, our sales will be made on the basis of *ready pay*.

Our Gins are too well known to require any special notice or commendation; we believe they are unrivaled in the chief points of excellence which go to make up a superior machine, namely: *Speed light draught and good sample.*

Our DOUBLE CYLINDER GINS will be found superior to the single cylinder, when parties have steam or good water power, to give them the necessary speed. In all cases when this can be done, we recommend them in preference to the single cylinder. If, however, indifferent or insufficient power is used, they will not do as well as the single Gin.

Messrs. DeROSSET & CO., Wilmington, N. C., are our general agents for the State of North Carolina.

W. G. CLEMONS, BROWN & CO.

Columbus Ga., April 24 '66.

We will give prompt attention to orders for the above celebrated Gins from any part of the State. The price is five dollars (5) per saw at the Factory, and five dollars for each Gin will only be charged to purchasers for transportation to this point.

The respective auxiliary societies in the State are requested to assemble and appoint delegates, and all regular members of the profession are cordially invited to attend.

$25 REWARD.

MY MULE, a large dusky bay horse mule, above the medium size, which was stolen from my premises on the 26th of April last, although I have detected the thief, is still out of my possession. I learn that the animal has been sold to or is in the possession of some one near Nashville in Nash County or may have been sent into Edgecombe or Martin, to evade my search. I warn all persons against trading for said property and would advise any person having the animal in possession to return him to me and claim the above reward, if they would escape the severity of the law.

The INDEX will be published as a *news* paper, and will have nothing to do with parties, politics or politicians. It will give the latest news, general and commercial; local and State items; poetry, anecdotes marriage and deaths.

The terms of subscription and advertising will be put at the lowest notch, and will be published in the first issue of the paper.

WARREN, N. C.,

WHITE SULPHUR AND CHALYBEATE SPRINGS.

THE UNDERSIGNED has the satisfaction of announcing to the public, that he has leased these celebrated Springs, and that they will be opened for the reception of visitors on the first day of June ensuing.

His arrangements are of that complete and extensive character, that he will be able to accommodate a large number of guests and to offer greater attractions than usual to those who may visit

This pleasant and healthful resort.

No trouble or expense will be spared to render his patrons comfortable and satisfied.

The grounds are elegantly laid off, and the buildings are enlarged and improved.

He will have ICE, MILK, VEGETABLES, and all the substantials and delicacies of the table in profusion.

An ICE CREAM SALOON and SODA FOUNTAIN will be attached to the establishment, where those refreshments, as well as CONFECTIONERY, Fruits &c., can be always obtained.

The bar will be supplied with the finest liquors, and a billiard saloon and bowling alley, for amusement and exercise, be at the disposal of visitors.

The Medicinal Properties

Of the Sulphur water have been amply tested during many years by a large number of visitors, and its beneficial results strikingly displayed in the cure or relief of

Dyspepsia, Affections of the Liver, Jaundice, Diseases of the Skin, &c.

Another Spring has been discovered in the vicinity of the establishment, an accurate scientific analysis of which [given below] proves that it is a valuable *Chalybeate*. It is a mild and gentle tonic, and in the opinion of the physicians who have examined it, and witnessed its effects in some cases during several seasons, must prove beneficial in *Atonic Dyspepsia, Chlorosis, Uterine, Nervous and Neuralgic Affections connected with Debility;* and of especial service to persons living in malarious regions of country, whose blood has been robbed of its normal proportion of iron by repeated attacks of malarial fevers.

Persons travelling on the Raleigh and Gaston Railroad will always find a line of stages, under the management of Mr. Granger, ready for their accommodation at Warrenton Depot. There will be a daily mail from Warrenton to the Springs.
